Mike 2:19 (clock, barbed wire) All footage courtesy of George Orwell's darkest nightmares.

Kevin 2:31 (iguana) Ah, there's Godzilla! Y'know, people complain about the effects, but if you ask me he looks totally real.

Bill 2:43 (plane, explosion) [pilot, bored] And on your left folks we've got the complete obliteration of all mankind.

Mike 2:52 (two lizards, on top of each other) Whoa.

Kevin Cool.

Bill Sweet.

Mike 3:01 (overhead shot of blast) Nice visualization of the movie's reviews.

Kevin 3:09 ("Toho" credit) Toho, I love that little dog!

Bill No, that's Toto.

Kevin Oh right, TOHO, the guys who did that "rains in Africa" song, great jam!

Bill Again, that's Toto.

Kevin Wow really? What *can't* that little dog do.

Mike 3:24 (palm trees waving) OK, who let Mr. Bean near the button?

Kevin 3:37 (shot turns grey) Watch out, KhalEEsi will show up and hatch those things if you just leave 'em lying around.

Bill 3:48 (lightning) Lightning, nuclear fallout it's like every Marvel origin story all in one.

Kevin 4:09 (fish workers) Hey there's Nemo and Dory! Hi Nem- uh oh…

Bill 4:18 (sumo) Woo, giant man-ass! (thing beeps, he turns) Aw not now, I'm watching giant man-ass!

Kevin 4:38 (guy yells) Somebody got pizza? GUYS, SOMEBODY GOT PIZZA!

Bill No more fish guts for us!

Mike Is there cheesy bread? PLEASE TELL ME THERE'S CHEESY BREAD!

Kevin 4:51 (sonar screen) It's Galaga! I mean Godzilla! I mean Galaga!

Bill 4:59 (falls out of bed) The Life Aquatic with HIROSHI Zizzou wasn't as much fun.

Mike 5:09 (guy rises up) [embarrassed] Okay, no need to point out who did or didn't pee their pants, let's just move on gentlemen.

Kevin 5:20 (claws burst through) Gah, Sharknado! Sorry, flashback, sorry.

Bill 5:30 (old Japanese guy) I'm watching my stories, keep it down!

Mike 5:43 (2nd "singin' in the rain") He's listening to the Rosetta Stone for "how to be a likeable actor."

Kevin 5:51 ("whoa!") My speeding along in a downpour while wearing headphones almost turned out badly!

Mike 6:01 ("stormy clouds chase") Even less charming than the Clockwork Orange version.

Kevin 6:10 ("Chernobyl - Ukraine") Oh THAT Chernobyl. I thought they meant Chernobyl, Wisconsin.

Bill Nice town, great radioactive cheese curds.

Mike 6:20 (grabs jumper cables) Good, now clamp one end to the battery, and the other to your -- well, any part of you is fine, really.

Kevin 6:31 ("ready for love") Turned into the B-52's Guy at the end there.

Bill 6:39 (2nd jolt, worms appear) “Shocking the worms at Chernobyl” has gotta be a dirty euphemism for SOMETHING.

*Mike 6:47 (on photos) Nice place for family photos, sure.

Kevin 6:54 (picks up worms) Okay man, I think you’re taking the paleo diet a little too far.

Bill 7:02 (looks over shoulder) [annoyed] What the -- well this just backwardses my hat!

Mike 7:09 (takes off headphones) They’re here for the Walkman, never seen such advanced technology.

Kevin 7:19 (he turns) [as Matthew] Wearing their hat brims on the FRONT to block the rain, of course!

Bill 7:30 (“Dr. Niko Tatopoulos”) [as agent] We’re here from the Ridiculous Character Name Bureau.

Mike 7:45 (“it is now”) Hard to believe, but the budget for worm electrocution has been cut.

Kevin 7:54 (“Papeete - Tahiti”) [sing as if the words rhyme] I say Papeete, you say Tahiti.

Bill 8:00 (Lexus) Meanwhile, in a car commercial.

Mike 8:07 (he stands) [Droopy Dog voice] Aw, somebody shrunk my briefcase.

Kevin 8:15 (“the Americans”) Subtitles? I’m tired of these brainy pretentious foreign flicks.

Bill Yeah, stop assuming we can read, movie!

Mike 8:27 (opens door) [as doc] He came in to get his appendix out, we mixed up the charts and turned him into Godzilla. Our bad.

Kevin 8:37 (doctor turns to leave) If I've learned one thing from movies, it's that hospitals in other countries don't turn on the lights.

Bill 8:48 (front shot of guy w/ wand) This won't feel as big as it looks.

Mike 8:56 (on old guy) Nurse Ratched just finished with him, poor fella.

Kevin 9:09 ("you see, old man?") Frenchman speaking English to a Japanese guy, that'll clear things up.

Bill 9:19 (3rd "Godzilla") Good, now scream that while fleeing in panic with thousands of your countrymen and we'll call it a day.

Mike 9:30 ("Golfo de San Miguel - Panama") [like Van Halen] *Panama! Panama-a*. Sorry, reflex.

Kevin 9:43 ("going with my stuff?") And further, [childish] Hey come onnnn, and also, give it it's miiine!

Bill 9:54 ("it's Tatopolous") Even funnier the second time!

Mike 10:04 ("off the damn pier") Matthew Broderick's love interest?

Bill Mm, probably not.

Kevin 10:17 ("are not my field") I'm more of a "tough spots and stains" guy!

Bill 10:31 ("know what that means") The earthworms all got rayguns and changed their names to Jim.

Mike 10:43 ("they're enormous") Typical guy, can't stop talking about his worm size.

Kevin 10:56 ("you're standing in it") Dishwashing liquid?!!

Bill 11:05 ("where is it, I don't see it") Doesn't even know he's smack dab in the middle of a trailer moment.

Mike 11:39 ("she's your boss") She's Director of Quipping.

Kevin 11:49 ("No such luck") [in Yello voice] Chicky-chick-ka, Ohhhh, yeahhhhhhh…

Bill 11:58 ("French finally released it") Video of Gerard Depardieu's gastric bypass.

Mike 12:08 (sneezes) Ah good, a third banana. ("summer cold") First to die? Can we hope?

Bill 12:20 (second "Gojira") We believe that translates to "Gamera."

Kevin 12:30 (third footprint enters frame) Amazing, a monster that can change the shape of its own footprints from scene to scene!

Mike 12:40 (dissolve) And so Godzilla moved to New York, got a little place in Tribeca, and landed a part in the chorus of *Miss Saigon*.

Bill 12:51 ("Hey come on come on all right") [blandly ticking off the cliche list] I'm walkin here, You lookin' at me, Yadda yadda badda bing. ...Cause we're in New York.

Kevin 13:02 (walks into newsroom) Hi Honey I'm home - wait, this isn't my apartment, the hell?!

Mike 13:13 ("Oh, girl!") Yeah, *other girl!*

Kevin 13:32 (she walks over to Harry) Hi, do I have a career after this movie?

Mike 13:43 ("what else did he say") Something about dialing back the perkiness.

Bill 13:55 ("Mister Caiman!") [as him] Please, call me Grand.

Kevin 14:02 ("over three years") Can't hear, sucking on a kumquat.

Bill 14:18 ("Your choice" / cut to her) Uh-huh. Hey, how 'bout a knee in the groin instead?

Kevin 14:25 (he sits) Ow! Hey who turned my stool upside down, again?!

Mike 14:40 (GREAT PEDRO BLUFF) And so they followed Godzilla to a Sandals resort.

Kevin 14:50 (“it’s Tatapolis”) As in, I'd like to see you to-topless.

Bill 15:04 (“Special place in your heart?”) Nathan Lane, maybe…?

Mike 15:14 (”but I think you’re cute”) In kind of an ancient teenager way.

Kevin 15:25 (“she thinks I’m cute”) [like Rudolph] I’m cu-u-ute! She said I’m cu-u-u-u-u-ute!

Bill 15:35 (wrecked ship) Another Carnival Cruise comes to a predictable end.

Mike 15:45 (road in FG disappears) All they found were the remains of a sailor with unnaturally large forearms and three hundred containers marked “Spinachk.”

Kevin 15:55 (Cut to Jamaicans) Peter Tosh, thanks for the cameo.

Bill 16:04 [as redhead] Say, that shipwreck is CUTE.

Mike 16:10 (Broderick stops) And that completes our first Spielbergian People Looking Shot.

Kevin 16:17 (tilt up ship hull) Godzuki gets tired of his bath toys really quickly.

Bill 16:27 (“they are with me”) [super French] P.S., aw haw haw!

Mike 16:37 (“that’s our job”) We like to deny coverage quickly.

Kevin 16:44 (“what do you think could have done this?”) We suspect a crew member named Gilligan.

Bill 16:51 (soldier leaves) [as Frenchie] Am I not French enough?

Mike 17:00 (Cut to Broderick) Psh, "Dolphin safe." It's like getting Lucky Charms without any marshmallows!

Kevin 17:08 (he says something French) That means “Bring my nose sharpener.”

Bill 17:18 (Matthew turns) [as Jean] You gonna eat that, errr…?

Mike 17:26 (tugboats) We now take you to nearly every Discovery Channel program...

Kevin 17:36 (“gonna come and kick yer ass”) Thanks for updating us on what we’re watching you do.

Bill 17:45 (looks up from paper) Ah, this happens in Lake Erie when the water gets too thick.

Mike 17:53 (“The Hell is that dope-head doin?”) [as dope-head] Captain’s right, I shouldn’t try driving the boat on crack.

Kevin 18:07 (“Maybe she’s heavy in the net”) Great, someone has to get out and push.

Bill 18:17 (Cut to CU Captain) Every few hours he's gotta come down and clean the mermaid parts off the propellor.

Mike 18:28 (“Must be caught on something”) Prolly another stupid Kraken.

Mike 19:22 (guys dive off sinking boat) The fishing partnership of Quint, Ahab and Queeg comes to an inglorious end.

Kevin 19:33 (side shot boats nearly under) And off they go to Davy Jones’ locker.

Bill I'd rather go to Peter Tork's locker. He's the cute one.

Mike 19:45 (front guy grabs board, looks back) By the way Tim, my heart will go on.

Bill I don't care, Bob.

Kevin 19:59 ("ya hear that?") Yeah sorry, that was me, too many sardines.

Bill 20:08 (boat rises) Whoa, Aquaman must be -- ha ha, can't keep a straight face. Aquaman doing something cool, RIGHT.

Mike 20:18 (plane in fog) [in old announcer voice] Meanwhile Hop Harrigan and his pal Tank Tinker fly deep into enemy territory! (cut to microscope) Or Matthew Broderick looks at a chunk of hardened monster snot.

Mike 47:22 (soldier looking, then tail etc.) My god, I’m in awe! He’s so majestic, so beautif-- [G. knocks stuff over] OH NO HE JUST CRUSHED FIVE OF MY MEN!

Kevin 47:36 (Godzilla steps up) Yeesh, Godzilla upskirt.

Bill 47:44 (as Godzilla w/ fish) Guys, these better be pole-caught organic tuna, or I'll be speaking with your manager.

Mike 47:57 (after military shouts) Wow, same way I eat ramen when I'm hungover.

Bill 48:06 (camera) I’ll sell these to J. Jonah Jameson for big bucks.

Kevin 48:18 (“bigger guns”) ...presumably shipped to us on a bigger boat!

Bill 48:32 (firing at Godzilla, he ducks the missiles) Ducking! Wow, Godzilla trained in “Three Stooges” defense techniques.

Mike 48:40 (Flatiron Building destroyed) Next he'll destroy the most iconic New York building: Famous Original Ray's Original Famous Ray's Pizza: The Original

*Bill 48:50 (statue spins) James Madison is pissed! (falls on Broderick) ...Which makes him horny.

Kevin 48:57 (feet) Gonna get in a few quick wind sprints, then I'll be back to kill you

Bill 49:10 (Godzilla turns, blows flames) Oh, I can do this by the way.

Mike 49:24 (choppers) Quick peek in a window at an old drunk who then throws away his liquor bottle? No?

Kevin 49:37 (“follow my lead”) Follow...follow… [sees Godzilla in front, panics] ...Now lead! You lead! I’m sorry I’ve been so bossy, it’s definitely your turn to lead!

Bill 49:53 (as Godzilla, running) I need a restroom really bad!!

Mike 50:01 (“pulling away, sir”) He’s a big tease, over.

Bill 50:08 (“the damn missile” back to Godzilla) Whoa, Godzilla’s into parkour!

Mike 50:18 (missiles hit Chrysler building) Oh GOOD ONE, The Air Force.

Kevin 50:24 (building falls over) Why, WHY couldn’t it have been Trump Tower?!

Mike 50:31 (jeep pulls to a stop; then Chrysler spire falling) They probably shouldn’t have named the mission “Operation Obliterate Stupid Skyline.”

Bill 50:45 (after 4th "negative impact") Negative impact, guys?

Mike Negative impact.

Kevin Negative impact?

Mike 50:55 (TV) Quick reminder that giant monster movies CAN be fun.

Bill 51:04 ("get caught") If we hurry we can get away with more than 13 dollars worth of counterfeit Ray Bans!

Kevin 51:16 (Godzilla approaches. friendly) Nice night, huh fellas? You guys take care.

Bill 51:24 (shot under Godzilla) Gah, more kaiju batch!

Kevin 51:31 (G. getting shot) Keep shooting, I like it! It exfoliates my scales!

Mike 51:39 (buildings messed up, etc.) Good thing no humans inhabit those buildings they're blasting into.

Kevin 51:49 (as one copter rounding corner) Your turn signal's still on, Gary!

Mike 51:55 ("where'd he go?" next shot) Cut to Godzilla squished into the back of a laundry truck, grinning.

Kevin (as G) "See ya, suckers!"

Bill 52:05 ("prepare to fire" on messed-up building) Frank Gehry's buildings keep getting weirder.

Mike 52:12 (copters shooting in) Sorry, hundreds of pinned down survivors awaiting rescue!

Bill 52:26 (after pilot in back seat, then explosions inside) The only way to get rid of bedbugs.

Mike 52:35 (Godzilla, jumping / swatting) DENIED. [note: in the NBA sense]

Kevin 52:42 (Zilla moves to chomp the chopper) Itadakimasu!

Bill 52:49 ("where is target?") Oh they just skip right over ECHO 3!

Mike 52:57 (“on my tail, sir” Godzilla chomps) And he sounds like a cartoon crocodile!

Kevin CHAWMP!

Bill 53:05 (on guy’s face, as him) If only this helicopter had a “go up” function!

Mike 53:16 (Godzilla jumps, bites) Big fella just needs a giant Frisbee and he’ll be fine.

Kevin 53:24 (“Echo 4, sir”) Echo 3 here!

Bill Hang up!

Mike 53:37 (G. humping building) How ‘bout you buy that building a drink first, G-Man?

Kevin 53:47 (NYC) Ah, New York! You can almost hear Alec Baldwin yelling down there.

Mike 53:55 (he scoops gunk up) Naturally-occurring borscht, nice.

Bill 54:12 (“fed him”) Lovely fish appetizer, followed by some delicious helicopters.

Kevin 54:26 (“going on out here”) [as him] Some conspiracy theorists are calling it "rain."

Mike 54:36 (“under control”) Martial law will be fun, you’ll see!

Bill 54:43 (as her, gasping) I could get a hot dog! (:47 back to her) With sauerkraut! Yeah!

Kevin 54:52 (he enters drugstore) Buy my yearly condom while I have a sec…

Bill 55:05 (“clomophine citrate?” as pharmacist) Oh hi Johnny, I didn’t know it was you.

Kevin [as Wiseau] Where’s doggy?

Mike 55:16 (“quite some harem”) Yes, but it's of my little ponys.

Kevin 55:23 (“what are you doing here?” as her) I’m buying antifungal cream, you?

Bill 55:32 (“how’ve you been?”) Why’s he so flabbergasted? Did she used to be a black man or something?

Kevin 55:50 ("Really. I am.") [as Matthew] Can I get you some Anusol? I'm buying.

Bill 55:58 (off her look) [as Matthew] I'll break in there later and steal the Oxycontin.

Mike [her] What's that?

Bill [him] So how are you?

Mike 56:13 ("still a little mad.") [as Matthew] You pushed me into the arms of the cable guy.

Kevin 56:21 ("Most people don't.") Aw cute - the Red Cross is reporting severe blood shortages!

Bill 56:29 (she exits frame) Ignatius J. Reilly, hard at work back there.

Mike 56:42 ("a cup of tea?") [as woman, warmly] Sure. Could you make it to go?

Kevin 56:50 ("still can't believe it.") [as woman] This movie grossed 380 million?!

Bill 57:02 ("helped create awareness.") Of doomed relationships.

Mike 57:13 ("census for the government.") [as Matthew] It's called "How Many People in Rhode Island Are Named Todd".

Kevin 57:29 ("I got pretty close.") [as Matthew] Made it to third base.

Bill 57:41 ("he's a burrower, and...") [as Matthew] His urine makes outstanding tea.

Mike 57:51 (off her look) [as woman, tentative] Just how close did you get to him, Nick?

Kevin 58:01 ("weren't designed for this, but...") But this is a Roland Emmerich movie, so suck it, science!

Bill 58:16 ("Where's the fun in that?") Outraged sea cucumbers demand refunds for that slander.

Mike 58:29 ("great distances for reproduction.") Just like Aerosmith groupies!

Kevin 58:41 ("12 eggs at a time?") [as Matthew, bragging] Learned that from a Snapple cap!

Bill 58:52 ("I'll be right back.") [as Matthew] "Confirming all this at the lab" should only take a few seconds.

Mike 59:00 (looks at desk) [as woman, to self] that's a lot Sudafed and plastic tubing.

Kevin 59:11 (furrows brow) [as woman] Why are my eyes scratched out in this photo?

Bill 59:22 (she smiles) 60 pictures of my feet, how'd he even get these??

Mike 59:33 (Top Secret tape) Top Secret, can we watch that instead?

Kevin 59:43 (tape starts) [as announcer] We now return to "Who the hell filmed this?" already in progress.

Bill 59:52 (footprint) Damn Aliens from Signs, somebody get the hose!

Mike 00:02 (wrecked church) If Woody Allen went to Confession.

Kevin 00:12 (she looks around) She hasn't been this intrigued since that Pantene Pro-V application guide.

Bill 00:23 (grabs tape) Yes, one can't help but jeopardize someone's career for footage of an old man staring at a lighter.

Mike 00:36 (choppers in streets) [as pilot, alarmed] Echo 5, that's a one-way street! Pull up! Pull up!

Kevin 00:46 (flashlights in cave) And they walk right past Godzilla wearing a trenchcoat and sunglasses.

Bill 00:55 (tunnel) [as soldier] Okay Fraggles, stop eating the Doozers' hard work!

Mike 01:07 ("that’s a dead end") Like your art degree.

Kevin 01:14 (dead end) Are they looking for Godzilla or Mother *Brain*?

Bill 01:25 ("Nothing at all.") [as soldier] Except for this shot ripped off from Jurassic Park.

Kevin [hum snippet of Jurassic Park theme)

Mike 01:41 ("back together again.") [as woman, finishing report] This has been a grown woman quoting Mother Goose after massive casualties.

Kevin 01:53 ("hold of this material?") [as Azaria] Did you date the lighter guy?

Bill 02:01 (she leaves) [as Azaria] At least tell me why I'm dressed like Ace Ventura.

Mike 02:12 ("Come here a second!") [as woman] I interviewed a victim's family. Should I sign off with Baa Baa Black Sheep or Three Blind Mice?

Kevin 02:23 (NY skyline) [as pilot] Hey, guys, it's Echo 3, permission to land?

Mike Get the hell out of here!

Bill 02:35 ("movement down there.") [French accent] I'm gonna go hit on that black cat with the white paint stripe.

Mike 02:43 ("I'm hungry.") Croque monsieur!

Kevin Ooh la la!

Bill Dijonnaise!

Kevin 02:57 ("I mean...") [as Colonel] Chris Kattan.

Bill 03:09 ("Excuse me, sir") [as Matthew] I was promised a juice box?

Mike 03:19 ("about to lay eggs") [as Matthew] Or I am.

Kevin 03:34 (“virgin lizard”) Ah, my nickname in high school...

Bill 03:47 ("laying eggs on its own.") [as Matthew] Are you familiar with the Duggar family? [DUG-ar]

Mike 03:56 ("too late by then.") [as Matthew] He'll already be looking at pre-schools.

Kevin 04:09 ("to feed his young.") Ask me how much fish it was, I'm trying to get that catchphrase going.

Bill 04:20 (struggling with name) Europeans have so much trouble with European names.

Mike 04:28 (reveals photo) They call him the worm guy because of his signature dance move.

Kevin The cabbage patch?

Mike Would you.

Kevin 04:40 ("up please?") Haha, she's doing her "thing", going to bars and asking

them to "turn it up, please", how great is that?

Bill 04:51 ("some wild theory.") It’s not a theory, there IS a third Olsen twin!

Mike 05:03 ("we should see this.") [as official] Willard Scott's mentioning Nana's birthday.

Kevin 05:13 (Harry says "Godzilla.") That's what Japanese guys say when you hold a lighter to their face.

Bill 05:23 ("he stole my report.") [as woman] He sexually harassed me, sure. But now he's gone too far!

Mike 05:35 ("it's Gojira, you moron!") You tell 'em, female neckbeard!

Kevin 05:46 ("may be nesting") Wha?

BIll Huh?

Mike G'huh?

Kevin Bwwaaah?

Mike Hurrrgghh?

*Bill 05:57 ("to the press with this?") [as General, furious] And I DIDN'T get to meet Matt Lauer?

Mike 06:09 ("in my tent right now!") [as Matthew] Wait, the Top Secret tape or my Culture Club mix tape? Because that I DID give away.

Kevin 06:22 (“as of now”) The project you basically kidnapped me to work on? NO!

Bill 06:34 (subtitle "What's going on?") “What’s going on”, the eternal question of 4 Non Blondes.

Kevin 06:48 ("about all this" as Broderick) It's OK, Kathy Griffin.

Mike (as her) I'm not -- !

Kevin (as him) No, sssh, it's not your fault…

Bill 06:59 ("I'll try") And Yoda sighs in frustration.

Kevin (as Yoda) "Why bother do I?"

Mike 07:10 (change of scene, continued rain) The makers of Noah think they overdid it on the rain in this movie.

Bill 07:20 ("Nick Tatopoulos" as her) Spell it? ...Oh eat me!

Kevin 07:28 (leaves booth, crossing street) [as her] Goodbye but mostly do you have a spare towel?

Mike 07:36 ("leaving? Why?") Lack of towels?

Bill 07:45 ("off the record") Bob Woodward whines the same way. (07:52 she acts pathetic) Yep, Bob Woodward does that too.

Kevin 08:04 ("not a reporter" beat, then on Broderick. To himself, quick) Please don't say you're Godzilla's girlfriend, please don't say you're Godzilla's girlfriend…

Mike 08:15 ("but I haven't") So according to Sinatra Law I can't make it anywhere.

Bill 08:24 (Broderick looks down) [as Matthew] Yeah too bad -- hey, have you seen my hat and / or giant glasses?

Kevin 08:36 ("should have done that") Nor should I have stolen your wallet…(beat) I stole your wallet, by the way…

Mike 08:47 ("what it takes") Yep, there are big things ahead for anyone who can steal TAPES.

Bill TAPES: definitely the thing of the future!

Kevin 09:00 (“sorry”) I’m sorry YOU feel that I shouldn’t have stolen your tape.

Bill 09:09 (“will ya?”) Yeah, see, Hank doesn’t read like a New Yorker with that umbrella. Real New Yorkers cover their heads with rats while insulting the rain’s mother.

Mike 09:20 (as Matthew B.) Not the Cash Cab, either… such a crappy day…

Kevin 09:30 (CU Matthew B.) Matthew Broderick: the 13-year-old who one day just turned 50.

Mike 09:40 (“best way to the airport?”) Also, have you or any cab driver ever replaced your shocks, FOR THE LOVE OF GOD!

Bill 09:48 ("hey!") You never played the message of Eartha Kitt telling me to buckle up!

Kevin 10:05 (“can’t do that”) [as Jean] You must play out my elaborate Driving Miss Daisy fantasies.

Bill 10:20 (“services”) Still the least foreign cab driver that’s ever existed.

Mike 10:27 (showing his badge) That’s a Costco card.

Kevin 10:39 (“We know”) Oui, no? That's French for "yes no", how does that help?

Bill 10:52 (“as much as I do”) Oh well, as long as you’re just a shadowy foreign agent, I guess it’s okay.

Mike 11:10 (the warehouse; military voice) Okay, people, let’s make this quick. They’re filming The Expendables 4 through 10 here in one hour.

Kevin 11:25 (“You can buy anything”; the guns) Half a Ted Nugent yard sale.

Bill 11:38 (“I need yours”) [as Matthew] I want the vérité! [pronounce vair-ee-TAY]

Mike [as Jean] You can’t handle the vérité!!

Bill 11:55 (“want the world to know about”) Pretty much how I feel about Big Bang Theory.

Mike 12:05 (“to clean it up”) [as Jean] We begin with Godzilla’s filthy underthings.

Kevin 12:13 (spying thru the window) The spies covered every contingency except "guy peeking through broken window."

Bill 12:24 (“where to start looking”) And you want to find The Rockettes dressing room?

Mike The nest!

Bill Right, right, the nest...

Mike 12:40 ("so you're in") [as one of guys, sotto] Don't do it, his coffee jokes suck.

Kevin 12:52 (“foreign legion”) I'm a big fan of the comic strip "Crock."

Bill 13:04 (“Hello”; bearded dude) Gah, Cat Stevens! Hasn’t this city suffered enough?

Mike 13:10 (crowded apartment) Remember when this was a Godzilla movie?

Kevin Good times. Good times.

Bill 13:24 (“sleep on the street”) There’s a guy over there making out with our dog.

Mike 13:42 (“right now”) [as her, shrill] Unless you want to stay here and listen to my voice.

Bill 13:50 (flops tissue down) From crazy nag to scheming crybaby, it’s one strong female character after another!

Mike 14:05 (“what have I done Animal?”) I mean, I look like one of the kids on the cover of Houses of the Holy.

Bill 14:23 (“would ya?”) [as Audrey] 'Cause I'd like to shoot a little "private film" right now.

Kevin 14:33 (“ya know?”) [as Hank, New Yawk accent] I figya’d after bein’ betrayed, bein’ hunted down would help.

Mike 14:42 (“back into the city tonight”) They have a bunch of American coffee insults they want to try out.

Bill 14:53 (“into the city?”) [as her] But I'm up next for making out with your dog!

Kevin 15:07 (“or not, okay?”) [as Hank] I didn’t put this hat on backwards to just stand around.

Mike 15:19 (takes cigarette with displeased look) Ah, the French: noted haters of cigarettes.

Kevin 15:28 (Juicy Fruit) Juicy Fruit, ze taste ze taste ze taste ees gonna mooove yew!!

Mike 15:40 (“more American”) [as Jean, French accent] We didn’t have time to gain 40 pounds each.

Bill 15:48 (“all right?”) But if for some reason we need to order crepes, then it's your turn.

Mike 15:58 (pans down to van) After an hour of listening to Audrey, Animal no longer cares if he lives or dies.

Bill 16:12 (takes her hand) Animal, named after one of his top five favorite biological kingdoms.

Kevin 16:19 (Audrey enters) Took her an hour to coordinate her World War II French Spy outfit.

Mike 16:32 (“in Manhattan”) Ah, not the 23rd street station in *Peoria*.

Bill 16:44 (“nasty large lizards”) He means the reptilian shapeshifters who run the government.

Kevin 16:51 (on Roaché) [over the top Frenchy] Zut, alors! My chewing gum has lost its flavor.

Mike 16:59 (guard shines flashlight) [as him] Routine check for Pauly Shores. Heard he's in the "us" now.

Bill 17:17 (guy smiles/chews gum) Governor Dukakis, how's it going?

Kevin 17:30 ("ah thank you very much") Great Roy Orbison impression!

Mike 17:40 ("He was the king.") Somewhere, Uncle Jesse nods with approval.

Bill 17:48 (grabs phone) [as Colonel] Shaquille! How the hell are ya?!

Mike 18:00 ("we're right on schedule.") [as O'Neal] Foghat should be taking the stage soon.

Kevin 18:13 (glowing pit) [as Temple of Doom villain] Kali ma... Kali ma, shakthi deh!

Bill 18:25 (2nd "Kill your light!") [as Azaria, bloodthirsty] I want that light dead! I want its family dead!

Mike 18:33 (walking with flashlights) [as Jean Reno] This murky water is as bad as your American coffee!

Kevin [annoyed] All right.

Mike [as Jean Reno] Your French Roast is absolute swill.

Kevin [angry] Enough about the coffee!

Bill 18:47 (can falls) In New York, that counts as recycling.

Mike 18:59 (Godzilla groans) [as Godzilla, cranky and half-asleep] Aw, just gimme five more minutes, Ma!

Kevin 19:07 (descending subway) Still, it's not as bad as the G train. Am I right, New York?

Bill Regional humor, folks!

Mike 19:21 (ground shakes) Well, it's either Godzilla or Chris Christie's on the campaign trail.

Kevin 19:30 ("What?") [as taco bell chihuahua] Sounded like "Here lizard, lizard, lizard..."

Bill 19:38 (Godzilla emerges) Hey! He jumped the turnstyles!

Mike 19:48 (Godzilla approaches) [as subway automated message] Stand clear of the closing jaws, please. [chimes]

Kevin 19:58 (Godzilla passes) New York subways: Known for their cavernous, stadium-sized space.

Bill 20:09 (Godzilla approaches) It's a shame this didn't occur in the middle of an Improv Everywhere performance.

Mike 20:19 (Godzilla passes) CGI so realistic, the effects team never wants you to actually see it.

Kevin 20:30 (Godzilla leaves, Azaria holding camera) [as Azaria] Wait! Come back! I forgot to white balance!

Bill 20:41 (she nuzzles him) [as woman] So, are you my love interest now?

Kevin 20:50 (hole) [booming] Glory Hole of the Gods!

Mike 21:01 (soldier) [as soldier, to commander] Sir! Someone on the eighth floor is watching Columbo, sir!

Bill 21:10 (Godzilla on street) [as New Yorker] Hey, get outta the bike lane, ya

jerk!

Mike 21:19 ("Section-") [worried] Oh, no! Section Five?! [beat] Actually, I don't know what that means.

Kevin 21:29 ("to Section 5, sir.") Without a fish icon it just seems so futile...

Bill 21:40 (radar screen) Windows 95 hourglasses move in for the kill!

Mike 21:48 (rounds corner) [as Godzilla] Three grand a month for a studio?! You people are outta your minds!

Kevin 22:01 (spotlights) [as Godzy] Oo, spotlights, maybe it's a movie premiere. Hope it's not Godzilla, ugh.

Bill 22:10 (men crouch) [as soldier] Sir, I just joined to get money for college, can I go?

Mike 22:19 (Godzilla approaches) [as Godzilla, as junkie] Just one more fish pile, man. I swear, I'll kick tomorrow.

Kevin 22:29 (men frozen) [as soldier] I totally blanked on what we're supposed to do. Any ideas?

Bill 22:37 (Godzilla approaches) [as Godzilla] Where's the little guy who says "That's a lot of fish?" ...Doesn't feel right starting without him.

Mike 22:47 [shot of Godz] While he tries to make up his mind a bunch of cartoon cats are eating his fish whole and pulling out skeletons.

Kevin 22:59 (turns head) [as Godzilla, annoyed sigh] Anywayyy.

Bill 23:11 (cuts to Godzilla) A Saudi prince just called, wants him as a pet.

Kevin 23:24 [Godz roars] [sing big opera note] *Vincerooo*o!

Mike 23:39 (Witwicky) Right, forgot how good he is at ducking!

Kevin 23:53 ("Fire!") [as soldier] Make sure to barely miss our Blackhawks!

Bill 24:02 (missiles hit building) They took out Caroline in the City, yay!

Mike 24:10 ("the West Side Highway.") [as soldier] This just in, we blew up the West Side Highway. Sorry!

Kevin 24:20 (leaps into water) Wow, Godzilla went full cowardly lion!

Mike [do bit of Cowardly Lion]

Bill 24:32 ("there waiting for him.") We bought him a sheet cake and a pick-me-up bouquet.

Mike 24:48 ("Prepare to fire.") [as Godz] Mom, mom, watch me swim, mom, mom, mom, mom.

Kevin 25:00 (2nd "manned and ready, sir") And I mean *manned*. Shirtless and beefy, sir.

Bill 25:11 (fires torpedo) Just get an eight year old boy to pull his tail off, problem solved.

*Mike 25:19 (Godzilla dodges torpedo) [as Godzilla] OK swimrobics class, work your magic.

Kevin 25:30 ("Fire number one!") [as seaman] Eat death, Boy Scout kayaking tour!

Bill 25:38 (dodges torpedo) So factoring scale, Godzilla's about twelve feet long now?

Mike [overlapping] Yeah, roughly.

Kevin [overlapping] Thereabouts.

Mike 25:46 (Godzilla swimming) The Hudson's many six pack rings will provide a natural defense.

Kevin 25:55 ("heading right at us.") [as Captain, petulant] Oh, I knew we should've done this in the Gowanus!

Bill 26:03 (Godzilla heading toward sub) Meanwhile Mothra's clumsily flying around a street lamp on 3rd avenue.

Mike 26:10 (underwater) Godzilla's still pissed about Down Periscope with Rob Schneider.

Kevin 26:20 ("Three. Two.") [as seaman, choked up] I've always loved you, sir.

Bill 26:29 (angle on General) [as General] But the Village People said the Navy would be fun!

Mike 26:39 (radio tech) [as radio tech, scoffs] Ugh, you jagoffs.

Kevin 26:47 (Godzilla swimming) [as Godzilla, cocky] Haha, only in New York!

Bill 27:00 (2nd "lock on!") [as seaman, catty] I HEARD him, Terry!

Mike 27:09 ("Standby three. Fire.") [as Captain] It oughtta work this time, right?

Kevin 27:19 (clicks stopwatch) [as seaman] He's looking good for regionals, sir.

Bill 27:31 (explosion) Some vague thing happened!

Mike 27:41 (mayor) [as Mayor, sighing relief] Unfurl the Mission Accomplished banner!

Kevin 27:49 (Target Destroyed) Wal-Mart's ultimate fantasy.

Bill 27:57 (as Godzilla, reeling) At least we didn't pretend Bryan Cranston was the

star of this movieeeeee!

Kevin 28:10 (flashlights on fish) [as travel ad] Experience the sights and smells of summer in Chinatown right on the subway!

Bill 28:24 (Matthew gazes up) [as Matthew, stern] Ladyhawke, you come down here right this instant!

Mike 28:33 (wide angle) What's up there? We may never kn- (sign revealed) Oh.

Kevin 28:43 (fish in hoop) This fish was unable to save Pittsburgh.

BIll 28:56 ("dis is a good smell") [as him] I mean dat sincerely, I grew up inside a blue whale.

Mike 29:06 ("now I'm pissed") Destroying the hallowed ground of Wrestlemania Ten is a step too far!

Kevin 29:16 (guy w/ flashlight appears) Has anyone seen my fish? Think I might've left 'em in a basketball hoop.

Bill 29:24 (part of egg in view) Oh no, it's one of those cancer lung models, those things always creep me out.

Mike 29:34 (two eggs w/ webs) Looks like somebody got their Mogwai wet.

Kevin Gremlins 3: The Even Newer, Morbidly Obese Batch.

Bill 29:52 ("and you were right") We can keep Denny's in omelettes for a year!

Mike 30:01 (Jean turns) [Frenchy] Game over man, game over.

Kevin 30:12 ("twenty eggs here") Egg Quantity and Volume Guessin' Man, any thoughts?

Bill Nah, I'm good.

Mike 30:25 (flips switch) Okay, the lights still work, but where are the Jock Jams?

Kevin Yeah, and isn't anyone gonna ask if we're ready to rumble?

Bill 30:38 (wide shot) How did Godzilla find time to destroy the city with all his meticulous egg-arranging?

Mike 30:51 ("yeah, you all right?") Maybe sleeping with Harry Shearer would help? Just a thought!

Kevin 30:59 ("whoa") [as him] Whoa, get a load-ah me, I'm Neo ova heah!

Bill 31:07 (activates bomb) Bombs? Seems like a waste of effort. Just do what I do, hit a speedbump on the way home from the store, most of 'em will just crack in the carton.

Mike 31:20 ("have enough explosives") The French, failing at warfare??

Bill 31:34 (Matthew's dopey look) I'm a science man!

Mike 31:43 (looks around) Never seen so many anonymous twitter avatars in one place. Get some photos and usernames already, ya n00bs!

Kevin 31:55 (draws hand back) Hang on people, these are just turds, definitely Godzilla turds!

Bill 32:09 ("we have a problem") We just found out people came to watch Godzilla wreak havoc, not you and a bunch of dumbass eggs.

Mike 32:20 (face bursts out) The biggest disappointment since the Gobbledy Gooker.

Kevin 32:27 (it cries 2 shot) I'm not nursing it, you nurse it!

Bill 32:38 (camera moves between them) Fingers crossed they all pop out for a big dance number like the thing in Spaceballs.

Mike 32:48 ("oh my God") [sorority girl-ish] I can't believe Godzilla didn't TELL us! I would've bought a GIFT! We could have thrown a SHOWER!

Kevin 32:59 (Matthew turns) Okay, we're gonna need a few dozen Marios to ride these things, and we're gonna need 'em now!

Bill 33:10 ("enough already?") My wife says that whenever I buy a new Precious Moments figurine.

Mike 33:19 ("that's plenty") Hopefully the beasts can be defeated with shameless Vaudeville mugging.

Kevin 33:28 ("let's um...heh") Welcome to the movie, baby 'zillas. You will be issued stupid hats shortly, as required by This Movie law.

Bill 33:39 (dino sniffs) [as dino] Is that AXE body spray? C'mon man, I'm soaked in ripe amniotic fluid and I still smell better.

Mike 33:52 ("good idea" shot change) [awkward small talk] Sooo, born to an asexual parent, huh? At least you don't have to worry about your folks getting divorced, heh!

Kevin 34:05 (dino hops in from left) Hurry, the velociraptors from Jurassic Park have assembled a legal team, they'll be here any minute!

Bill 34:15 (cuts to front shot of dinos) Calm down, we don't wanna eat you, we're going for more of a cute Muppet Babies vibe!

Mike 34:29 ("everybody outside, now!") He has to give all commands in French *and* English because one of his guys is from Quebec.

Kevin 34:40 (slam doors) There's gotta be somewhere we can hide, maybe a big kitchen? That's never been done before, right?

BIll 34:52 ("come on, let's go") [thick French accent] Go go go, mewve mewve mewve, le peeeeeoplles!

Mike 35:02 (rounding corner) I see what people mean about the French being really sexy, these two guys are pure fire.

Kevin 35:11 (dino looks) [angry dino] Where's the soy sauce and wasabi???

Bill 35:23 (smells fingers) When did I eat Beef-a-roni?

Mike 35:32 (closes doors, opens again) [as him] Hello? Oh right, the lizards, gahhh!

Kevin 35:42 (cut to 2 shot) Can't believe we're gonna be killed by digital creatures that aren't even controlled by Andy Serkis!

Bill 35:58 ("okay" "THREE!") Playful counting gag! Even in life or death situations, he's totally committed to Scooby-Doo level humor.

Mike 36:12 ("showered and everything") [as him] I'm just sayin', maybe thinkin' about the Knicks soapin' their toned bodies might help clear our heads, dat's all!

Kevin 36:28 ("Lincoln Tunnel") [imitating him] Reporting for Speaking Through Clenched Teeth News.

Bill 36:39 ("yes yes, I understand") Wendy's refuses to make a quadruple Baconator, they just won't budge!

Mike 36:49 ("back into the city") Why did we give them this top secret military number?!

Kevin 36:58 ("for the nest") Wait, you're still in the movie?

Bill 37:06 ("something about it") [as general] Broads, huh?

Mike [as mayor] Friggin' broads.

Kevin 37:18 ("try and stop me") In a Pudgy and Middle-Aged Grudgematch, only on pay-per-view!

Bill 37:26 (pulls hose out) If a pimps and hoes party breaks out, he's halfway there.

Mike 37:36 ("blow up this building") Also a good way to end bad first dates.

Kevin 37:44 ("get you through") And if not, try their new "blow up this building" mobile app.

Bill 37:53 (Matthew says "7600") Really, just a 555 number, don't even need an area code to destroy Madison Square Garden?

Mike Hey, it was the 90s!

Kevin 38:05 (gets to pay phones) Now smash those weird metal boxes open, there might be cell phones inside!

Bill 38:17 ("don't know what's wrong") Or why I thought a pay phone would get through when the other phone didn't!

Mike 38:26 ("they didn't make it") They're buttering the big croissant up in the sky.

Kevin 38:35 ("go and get help" Matthew's dopey look) Does making this face help? (back on him) See it's kind of the only face I can make, so I hope it's good enough.

Bill 38:49 (grabs mop) [as her] I know it's a bad time but this ceiling is FILTHY.

Mike 38:59 ("to find out, right?") [as him] Casual sex with each other, right? Or is that not what you were thinking.

Kevin 39:07 (after bleat) Oh no, now those yelling goats from the internet are here!

Bill They're gonna yell at us!

Mike 39:16 (on him) These French camo guys are starting to realize they're the Star Trek "red shirts" of this movie.

Kevin 39:24 (peeking around corner) Heh heh, time to nab a retired Patrick Ewing jersey off the wall, the perfect crime.

Mike 39:37 (shadows creeping up) [do a Lizard doing a few bars of Alfred Hitchcock theme]

Kevin Aw, dammit Carl, the Hitchcock bit is my thing!

Bill 39:50 (guy reacts) His mistake was waiting for an Australian guy to say "SHOOT HERRRR!"

Mike 40:00 (door then guy) This is how I get when the guys come to my house selling overpriced firewood.

Kevin 40:09 (after shooting guy looks) Totally reasonable reaction to The Doors.

Bill 40:20 (door bursts open) [as dinosaurs] How did you miss all five of us??

Mike 40:30 (Matthew stops) Madison Square Garden hasn't been this empty since the Wallflowers reunion tour.

Kevin 40:39 (surprise dinosaur) [terror then abrupt switch] AHHHHH—Wait, how long were you guys waiting back there?

Bill 40:50 (Broderick looks at doors) Hm, seems like something I should keep walking towards.

Mike 41:02 (door flies open) Baby Godzillas have a natural instinct to burst through doors.

Kevin 41:16 ("this is not good") Blockbuster Video product placement?? Our film will age terribly!

Bill 41:24 (dinos walking) Say what you will about Godzilla's kids, at least he didn't name any of them Caleb or Aiden. [CAY-leb]

Mike 41:32 ("come on") Sure keep mashing the button like a five year old, or a high-powered banker

Kevin 41:45 (dino head toward door) Still not as obnoxious as someone who takes the elevator one floor instead of using the stairs.

Bill 41:54 (music stops) Now to press every button and totally prank the next dinosaur that gets in!

Mike 42:05 (eating popcorn) In movie theater prices, they ate 2.8 million dollars worth of popcorn.

Kevin 42:17 (in air duct) I had college apartments that were less spacious than these air ducts!

Bill 42:29 (peering thru vent) Roomy, clean, AND good people watching: These air ducts have it all!

Mike 42:38 (elevator door opens) Orville Redenbacher scat!

Kevin 42:46 (“they’re loose”) Can my catchphrase “That’s a lot of fish” help in ANY WAY?!

Bill 42:56 (“the hell are you?”) I know everybody who is supposed to be lurking in the ventilation system!

Mike 43:07 (“no cameras”) I could use that guy at my family reunions.

Kevin 43:19 (“are all jammed”) The nineties equivalent of “There’s no signal!”

Bill 43:27 (dino approaches mop) [as dino] A mop! Hey guys, I’m Stanley Spidowski!

Mike 43:38 (“the tape, the tape!”) The Kid Rock/Scott Stapp sex tape, it’ll be destroyed! Wait, good!

Kevin 43:47 (her "come on!”) Oh, should I come on? I thought I might try to ride one of these things—OF COURSE I’M COMING ON!!

Bill 43:56 (Reno latches door) They’ve easily burst through every other door in the arena, but I have a good feeling about this one!

Mike 44:08 (“the ranger games”) As a news anchor’s assistant, I have an intimate knowledge of our ice hockey broadcast facility.

Kevin 44:18 (shoots lock) [as Frenchy, action hero-y] Sacré BOOM.

Bill 44:27 (“into our computer system”) “An” internet? Is that where they have “The Google”?

Mike 44:40 (“right from in here”) Do it live? Well, it worked for Bill O’Reilly…

Kevin 44:52 (pushing through door) [as dino] Not… not… Not the mama!”

Bill 45:03 (guy eating chips) That is the second white guy wearing a backwards Kangol in this movie, exceeding the allowable number by two.

Mike 45:16 (“game on tonight”) Well, watching a hockey game that isn’t actually happening is still preferable to this movie.

Kevin 45:28 (“have to do it”) Ed: the guy you catch licking the office secret santa gifts.

Bill 45:38 (“oh yes he will”) [cont as Hank] ...Ed! Put us on or else your Real Doll gets it!

Mike 45:47 (“don’t stop them”) Let me get a better look by removing the thing I need to see.

Kevin 45:56 (computer on left) Hey, Bing Maps!

Bill 46:07 (“boys in uniform”) Now here’s Ernie Anastos with some instructions regarding a chicken!

Mike 46:15 (“you’re on, go”) [as reporter] *Ahem* Hitler was right—DAMMIT!

Kevin You had one job!

Bill 46:25 (“happening here”) Oh I’ve seen this one, he tries to stomp some grapes then falls down, it’s hilarious!

Mike 46:36 (2nd “get hicks”) To the Alabama state fair!

Kevin 46:46 (“begun feeding)” [as mr. witwicky] Feedin'? Sounds good!

Bill 46:56 (“outside of this nest”) Their brain is pea-sized, so we’re guessing Guy Fieri’s American Kitchen.

Mike 47:07 (“of this planet”) Anyway, sorry for pre-empting "Love Connection."

Kevin 47:18 (“within this year”) In my opinion as a professional Worm Dude.

Bill 47:26 (“can escape”, Ebert) You heard the man, nuke Jersey!

Mike That's not what he said!

Bill Too late!

Mike 47:37 ("contain them for long") [as dino] Hey ma, I'm on TV!

Kevin 47:47 ("correct after all") [as Matthew's boner] Boi-oi-oi-oi-oing...

Mike 48:03 ("WIDF news") Now back to our coverage of a cat who looks like Tina from Bob's Burgers.

Kevin 48:13 ("sure") Humanity can perish happily, knowing she got a shot as a local news anchor.

Bill 48:29 ("Madison Square Garden") [as other person on phone] Sir, this is Papa John's...

Mike 48:42 ("of the building") Even worse news, we couldn't afford a real operating system.

Kevin 48:54 (dinosaurs crash) Baby Godzilla's LOVE behind the scenes tours of Hockey production studios.

Bill 49:03 ("care to join me?") [quick, as him falling] Wait, forgot to tie off my roooooope!

Mike 49:11 (planes) It's Randy Quaid, he's got his Roland Emmerich movies mixed up.

Kevin 49:24 ("you ok, yeah") Blockbuster Video: Still not as dumb as Qwikster.

Bill 49:35 ("eaten all the fish") Flounder, Mr. Limpet, even the entire cast of Fish Police!

Mike 49:42 (Matthew running) It *would* be pretty cool if he trampolined over a neighbor's fence here.

Kevin 49:51 ("Not this way! Not that way!") Gentlemen, I think we all know what's missing here:

Bill [Extended Benny Hill music til 50:05 “the escalators!”]

Mike 50:07 (basketballs) Not the basketballs, the Knicks need those for sucking!

Kevin 50:14 (dinosaurs slipping) So, Godzillas, villains in Home Alone movies, basically the same thing.

Bill 50:28 (“master arms all”) Porkins missed this mission cause he challenged Godzilla to a fish-pile eating contest.

Mike 50:36 (stop at escalator) Looks like a bunch of guys waiting for their girlfriends to get done shopping at Hot Topic.

Kevin 50:45 (back to dinos) The Land Before Time 19: I dunno, the dinosaurs go to the mall or something.

Bill 50:54 (dinos in front of Swatch store) Swatch: proud sponsor of humankind's death by lizard.

Bill 51:08 (“time do we have left?”) I’ll check my SWATCH.

Kevin 51:14 (dino falls) Kramer! Another Kramer! Multiple Kramers in Dinosaur form!

Mike 51:24 (Lamp falls) Of course! All mutant lizards hate decorative lighting fixtures!

Bill 51:34 (third light crashes) We’re out of lights! Quick, stop at Pottery Barn and find some floor lamps to throw!

Kevin 51:44 (closing doors) Now the monsters are holding back simply out of pity.

Mike 51:51 (crash through glass) They can crash through doors, who knew?!

Bill 52:03 (“two away”) Revenge for his overpriced Billy Joel tickets.

Kevin 52:10 (Dino heads) [as Dinos] I have no dental records!!

Mike 52:16 (dino heads ignite) I never knew my father slash mother!

Kevin 52:28 (cut to overturned taxi) And burnt chunks of baby dinosaur rain down on our heroes.

Mike 52:41 ("you all right?") Pretty sure one of those things impregnated me, but otherwise, yeah.

Bill 52:50 ("You'd be surprised") We blow up lots of famous buildings in the earthworm game.

Kevin 53:05 (Hank looks at Frenchie) [real casual] Hey, so how many of your frog pals died in there?

Bill 53:12 ("I could use a coffee") [as hank] Uh, is that a thing with you or something? We just met, I'm not up on your running gags.

Mike 53:25 [hank's dumb stare] Hank's impression of a sucker minnow, there.

Kevin 54:34 (Godzilla bursting up) Oh no! King Kong!

Bill Have you been paying ANY attention??

Mike 53:43 (Godzy's grin) [as Godzilla] You're never fully dressed without a smile.

Bill 53:50 (tilt down to dino bodies) Oh no, no… Fluffy? Scooter? Oh no it can't be, please, Scooter!... (whiffs) Come on Scooter, get up, good boy… Scooter! Scoooter-r-r-r!!!

Kevin 54:08 (Cut to Godzilla looking at them) [quiet and menacing] Lucky for you I eat my young. (cut back to Godzilla) [aside] By the way, they're delicious.

Mike 54:18 ("Running would be a good idea") Bicycling is also good, swimming is low impact…

Kevin 54:33 (Godzy head down alley) Phew, thanks to his wildly inconsistent scale he's currently too big to fit!

Bill 54:43 (Matthew goes back) Who will report on a pie-eating contest in Des Moines if I don't save her!?

Mike 54:53 (Godzy is halted) The only thing that can thwart the monster - a sturdy Home Depot fence.

Bill 55:01 ("Whaddya doin" cut to Godzy) His Roger Daltrey impression.

Kevin [Daltrey scream]

Mike 55:17 (Ebert sign) Hey, mayor looks kinda like Roger Ebert.

Bill Would you.

Kevin 55:27 (Driving over foot) Welp, looks like them Duke boys done outsmarted that big ol' salamander. He-heeee - hoo!

Bill 55:41 ("step on it Mister French") [as Mr. French] Stepping on it, Buffy and Jody.

Mike 55:55 ("Take the FDR") No way, I still haven't forgiven him for the New Deal!

Bill 56:04 (cut back to Godzy w/ head low) [as him] Can I hop in guys, please? I'll squeeze in the middle!

Kevin 56:20 ("Subway map") Nice Pacino yell!

Mike This subway map's got a GREAT ASS!

Bill 56:29 (Matthew "Augh!") [as him] Lick your windshield clean, mister? (optional tag) What, no tip.

Kevin 56:44 ("right on 34th street" / Hummer corners) Wait a second, this is a map of OLD York. Why do we even have that!?

Bill 56:54 (they crash into garbage) Wait, nobody took out a fruit stand? What kind of action movie is this?!

Kevin 57:10 (Godzilla falls) [as him] Sorry Mr. Emmerich I tripped, wanna take it again?

Mike [as director] Nope, keep rolling!

Kevin 57:23 ("Command this is O'Neil" / Godzy appears) O'Neil's in danger!

Bill O’Nei-i-il!

Mike 57:31 (Throws / “O’Neil!”) That bastard’s throwing stuff at O’Neil!

Kevin 57:41 (picks up plate) There's got to be a vowel in this cabbie's name somewhere.

Bill 57:51 (“Godzilla is still alive”) [same tone] And he’s got an all-new variety series!

Mike 58:01 (cut to Godzy and cab) [as Godzy] Okay, you’re not stopping for me because I’m an illegal immigrant, right? Be honest!

Kevin 58:10 (cut to high shot car in alley) He didn’t *need* to drive through garbage, he just *loves* to drive through garbage.

Bill 58:18 (flames) Hunh, guess his pilot light was out most of the movie.

Mike 58:27 (Camera pulls back after door opens) Meanwhile soldiers break into the DMV because they’ll be damned if they’re gonna wait in line all day for their stupid tabs.

Kevin 58:40 (“each of its cab’s radio frequencies”) Sir, couldn’t we just do a “calling all cabs” thing and ask for the one being chased by A Godzilla?

Bill 58:53 (“he’s gettin’ closer”) Whaddya mean, “he’s gettin’ closer?” He's basically driving the car!

Mike 59:01 (driving into tunnel) And they get in a three-way collision with the Joker and the Blues Brothers.

Kevin 59:10 (car stops) O-o-okay, that’ll be Twelve- fifty.

Mike 59:23 (Cut to radio dial) Come on Ryan Seacrest, I need some hits!

Kevin 59:32 (“O’Nee- O’Neil!”) Sweet, noble O’Neil!

Bill 59:41 (“Park Avenue Tunnel” / big claw) My great aunt’s hand!

Mike 59:48 (“Whoa”) He’s channeling Joey Lawrence!

Kevin 00:02 (“Wash him up for ya too?”) [Brooklyn Italian accent] Yeah, and fuhgeddaboudit and gabbagul, capiche…[midwestern accent] I’m from Brooklyn.

Mike 00:16 (“this thing have high beams?”) [as frenchie] How did you know I have erect nipples?! - Oh, you mean the *car*. Heh, forget what I said about the nipples.

Bill 00:26 (cut to monster head) [lights go on] Ha ha, all your children burned to death honk honk Ok, gun it.

Mike 00:42 (3rd “Brooklyn Bridge”) Godzilla just broke up with his girlfriend and is getting ready to jump.

Kevin 00:52 (“really?”) Does anyone have several tons of canned tuna in their pocket?

Bill 01:02 (Hank yells) Yep that's how I wanna go. Screaming and mugging like a Hanna Barbera cartoon.

Mike 01:19 (2nd “his mouth”) My dentist yells that every time I go in for a cleaning.

Kevin 01:29 (“shut up now”) Remember when the quip “Will you shut up now” became *the* phrase of 1998?

Mike 01:41 (shocks Godz) Yeah, my dentist shocks me like that, too.

Bill 01:52 (car about to land) Well, it’s safer than most New York cab rides I’ve taken.

Kevin 02:04 (“go go go”) “Go go go,” that was the title for "Go Dog Go" before they added the dog.

*Mike 02:12 (Godzy hops up) Whee!

Bill 02:18 (3rd “move it”) That was the title for “Go Go Go” before they added the dog AND the going.

Kevin 02:31 (Godz gets stuck) [as Godz] Oh, dear, I shouldn’t have had that extra helping of people.

Mike 02:44 (“it works”) It’s like Kevin James trying to go through the tunnel at a McDonald’s Playland.

Bill 02:53 (“roger that”) We’re lost, where’s the highway to the danger zone?

Kevin 03:08 (shot of Godz “on the bridge”) He also gets tangled in his own shower curtain a lot.

Mike 03:14 (last missiles hit) Ow, you hit one of my back pimples!

Bill 03:21 (bridge detach) No, now we can’t go over to Brooklyn and buy artisanal ham from a guy with a handlebar mustache!

Kevin 03:34 (as he roars) Packers!

Mike 03:44 (“fire again”) Geez, I think the guys in the planes heard that without the radio.

Bill 03:51 (he roars) [as him] Ow, my genitals are on my side!

Kevin 03:57 (he roars) Packers --

Mike OK!

Bill 04:06 (shot of Godzilla) He’s got Jay Leno’s chin.

Mike 04:14 (he roars) Wait till you read my Trip Advisor review of this town!

Bill 04:24 (shot of cab) Noo, the weird smelling air freshener that’s in every cab!

Kevin 04:33 (heads pop up) [Three stooges style, sing] Hello…

Mike Hello…

Bill [cuts to Godz, as him, weakly] Helloooo…?

Kevin 04:47 (spotlight on Matthew) It looks like he’s about to sing Send in the Clowns.

Mike [sing] Isn’t it rich…

Bill 5:00 (high shot) And now the big romantic kiss we've all been waiting for.

Kevin 05:10 (approaches Godz) So what the hell was that all about?

Mike 05:20 (Matt stares) Um, we kind of need to use the bridge, how late are you going to sleep?

Bill 05:32 (eye closes) [as Godz] So long, see you in a forgettable remake in 16 years.

Kevin 05:43 (after he turns) [as her] I'm wearing a cow flop on my head.

Mike 05:54 (shot of hank) Well, the lawless rabble that ignored the evacuation order are happy.

Bill And as lawless rabble, they're tough to please.

Kevin 06:18 ("kill him") [as anyone] She's gonna murder her husband, yeah!

Mike 06:29 ("oh no") I have the same reaction after I accidentally eat a sack of White Castle hamburgers.

Bill 06:41 ("destroyed Godzilla") Destroyed him with my powerful 32 ounce soda ban.

Kevin 06:50 ("your campaign?") It involves thumbs, going into things.

Mike 07:05 (2nd "of a job") Tell Brownie he did a *heck* of a job, too.

Bill 07:20 ("another reporter") Geraldo. After he's done taking a semi-nude selfie.

Kevin 07:34 ("I quit") I'm going to work with a real journalist: Jesse the Body Ventura.

Mike 07:43 (Hank looks down) He just realized he taped over his favorite episode of Bosom Buddies.

Bill 08:00 ("where's Phillipe?") Well, being French he wanted to avoid any kind of shower, even if it's just rain.

Kevin 08:09 (opens phone) [as if answering] Zach Morris's cell phone.

Mike 08:19 ("from it") All the stuff where a naked Godzilla cries on the toilet..

Bill 08:26 ("my friend") And since we are friends, can I borrow 500 bucks?

Kevin 08:35 ("au revoir") Me, I think this is the beginning of a beautiful friendship.

Mike 08:46 ("insurance guy") Name was Flo, I think…?

Bill 08:56 ('have my tape?") The rest of the movie is an hour of them cutting Godzilla into little pieces and shoveling the parts into dump trucks.

Kevin 09:09 (pan across fire) My balls are on fire!

Bill What?

Kevin Is what the guy who owned those balls would be saying right now, what?

Mike 09:20 (pushes in) This is just a live feed of Detroit.

Bill 09:30 (pushes in on egg) Setting up for "Godzilla Two - The McMuffining."

Mike 09:39 (push in) I'd give anything if Urkel popped out of that thing.

Kevin 09:46 (head appears) [as Porky] Tha - tha - that that's all folks.

Bill And that's all for us and Godzilla.
