SHARKNADO 2 LIVE - FINAL

Mike 00:16 (“The Asylum Productions” fades) Titles done in the little-known “Self-Destruct” Font.

Bill 00:26 (she finishes pouring) Coors Light in a 4-ounce plastic cup? ...Who says air travel isn’t luxurious anymore?

Kevin 00:43 (ring on finger. as her) Oh FYI, I just married the co-pilot.

Bill 00:52 (she takes thing to read. continuing previous bit) ...plus free safety brochures? *Luxury itself,* I say!

Mike 01:11 (“April here did” as flight attendant) Ah, it DID seem rather focused on cosmetic surgery.

Kevin 01:29 (when we see “Sharknado” title of book) Hope you got a copy, audience!

Bill 01:36 (“inviting me?”) Yes, contingent on you dying your hair back to human color.

Mike 01:55 (“eaten by a shark”) Sounds like the best spring break ever!

Kevin 02:09 (“bother you before”) Back when no one was paying attention…

Bill 02:19 (“brother-in-law”) ...The ones who always try to borrow money from you. So relax!

Mike 02:32 (“New York pizza”) Got one on you, by any chance?

Kevin 02:41 (shark shadow in cloud illuminated. Shatner voice throughout) There’s a shark on the wing of the plane! Or fairly close by, at least! Fifteen-twenty feet away, tops! Fake Shatner out!

Bill 02:55 (he gets up. as her) Again? Really??

Mike (as him, with urgency) Yep! Ugh, airport Taco Bell was a terrible idea…

Bill 03:16 (as him in bathroom) Guess I'll just have to join the Mile High Club all by myself.

Kevin 03:32 (she sniffs) Smells like he pronounces his name wrong...

Bill 03:47 ("you sure?" "yeah") Just realized I'm gonna do twelve more Sharknado movies, minimum.

Kevin 03:58 (we see shark) Free Willy??

Mike 04:09 ("be all right") My hoodie always comforts me.

Bill 04:29 ("on a plane") Now Samuel L. Jackson comes in and tells us how sick he is of these emmer-effing chickens on this emmer-effing plane.

*Mike 04:37 (CU on pilot) I'm gonna ask the passengers what they had to eat.

Kevin 04:48 ("fasten your seatbelts" on Wheaton) Especially you in the cameo section.

Mike 05:02 ("on my flights") Except copyright infringement suits from the makers of Airplane.

Bill 05:17 (as shark, hitting) Son of a b -- watch where you're going, sky hog!

Kevin 05:31 (wing) A gremlin kidnapped the shark!

Mike 05:43 ("OK, Mr. Shepard?" on him, mumbling) 25 bucks to check a bag, holy -- !

Bill 05:54 ("got it?" "OK") Nothing makes me calm down faster than panick-y-looking people telling me I GOTTA calm down.

Kevin 06:10 ("happening again") Your Taco Bell issue? [change of shot, sharks] ...oh, that.

Mike 06:21 (their mom shushes them) Weird that every other adult on board has a phobia of looking out windows.

Bill 06:31 (engine hit by shark) Damn sharks with their natural TNT!

Mike 06:43 ("we've been hit") Tell the passengers to stick their arms out the window and start flappin'.

Kevin 06:54 ("20,000 feet") ...20,000 feet and a lot of fins, haha, little sharknado humor there, heh… [to audience, presumably groaning] ...LOOK PEOPLE, WE HAVE A LOT OF MOVIE TO GET THROUGH.

*Bill 07:04 (shark hits windshield) Wha --? I've flown through *bear*-nados before, but sharks? Weird!

Mike 07:16 (2nd "causing the disturbance" as pilot to ground) It's a basic cable ratings grab, over!

Kevin 07:24 (guy in seat near hole; then flies out window, voice fading) I never got my bag of pretzels!

Bill 07:34 (cut away from Ian to other people) Argghh, it's a completely average United Airlines flight!

Mike 07:44 (she gets decapitated) Well it's about time a member of the Osbourne family got decapitated by an animal, rather than the other way around.

Kevin 07:55 (shark in window) Well, what are the odds?!

Bill *100%*, it turns out, in this movie-based product.

Mike 08:07 (back on captain. Shouting to her) So the chicken was pretty good..?!

Bill 08:19 (kids) Man, if I wanted to see terrified children I'd show my kids a picture of Mickey Rourke.

Kevin 08:30 (woman in bathroom) None of this would have happened if they hadn't taken Skymall off the planes.

Mike 08:42 (woman gets eaten) Undignified way to go, but at least she wasn't reading "Twilight" in there.

Kevin 08:55 (wait to see sign) "Authorized Personnel" ALWAYS includes aging surfers.

Bill 09:03 (Wheaton) Wheaton... [shark] ...Eaten.

Mike 09:11 ("just hold on!") Shark-and-PAPER -nado.

Kevin It's a flight from L.A., lots of wannabe screenwriters.

Bill They could have hired at least one of 'em for this movie?

Mike 09:28 (guy coming around corner) Finally, a hero to save the day! …. [09:31 knocked down by drink cart] D'oh! Guess not.

Bill 09:39 (CU Tara, as her reaching out) I need a Mountain Dew!

Kevin 09:48 (front shot of Ian in cockpit) Luckily piloting a huge passenger plane through Armageddon is just like surfing at Malibu beach.

Mike 10:03 ("the runway, I'm coming in hot") The new Hero on the Hudson: Captain Soily Pantsenberger.

Bill 10:21 (re Tara's feeble, nasal scream) Tara's hanging on for dear life, you can tell by her scream [feeble, nasal scream] "Aahhhhhhh."

Kevin 10:38 (a few beats after hand bitten off) Nice, she can be a Star Wars character now!

Mike 10:45 (her bloody stump) [as Tara] How am I going to double fist drinks?!

Bill 10:57 (he screams) Yelling is underrated as an aviation tool.

Kevin 11:07 (after his yell, plane on fire) Well, on Jet Blue they charge you extra for a fiery crash landing.

Mike 11:21 (front CU on Ian, as him) We did it, Hoodie. You and me.

Bill 11:28 (on passengers, ebullient) Whew! We're covered in the gore of fellow passengers we just saw mutilated, but this is *awe-some!*

Kevin 11:45 (right after thing lands on windshield) Hey Tara!

Mike 11:53 (“Vivica A. Fox”) “Star-studded!!” ...is one description of this movie, that nobody used.

Bill 12:08 (“by a Sharknado”) Upon hearing this song, the Ramones rose from the grave, flipped this movie the finger, then went back to punk rock heaven.

Kevin 12:19 (over U.N.) Technically "credits" but I think of them more as "blames."

Mike 12:32 (“can’t stop it if you tried”) No New York, you can’t prevent the sharks from raining down on you, but at least they won’t be able to afford an apartment.

Bill 12:42 (1st “Sharknado!”) What’s that now? (2nd “Sharknado!”) Sorry, didn’t catch it… (3rd “Sharknado!”) Ah, why didn’t you say so the first time?

Kevin 12:51 (Naked Cowboy) Attention, “naked” now means “big butt covered in tightie-whities.”

Mike 13:10 (“before you got -- ohhh”) Haha mom, you’re an aging hosebag, love ya!

Bill 13:29 (“to your phone”) Like if your Sugar Ray ringtone makes someone grab it and destroy it...

Kevin 13:39 (“from my brother tonight, ok?”) No matter how much he tries to stab you.

Bill 13:49 (“with you” “nope”) Exposition-nado!

Mike 13:58 (“I was Batman”) You were Aunt Harriet at best.

Kevin 14:14 (“promised this time?”) That you would flatten your hair?

Bill 14:28 (“this morning”) Terrible casting! Can you imagine some hapless dope like this actually being a major network anchor?

Mike 14:46 (“into the engine”) This movie should avoid the word “sucked.”

Kevin 15:08 (“it happens again”) He could be talking about a sharknado OR a new episode of Jersey Shore.

Bill 15:18 ("out of my face" after a beat) YES, get that camera out of his face, for all of us!

Mike 15:26 ("gonna be OK") Wow, Tara going for another round of cosmetic surgery DURING THE MOVIE ITSELF. Bold choice.

Kevin 15:43 ("be back, I promise") "She's in good hands." Kinda rubbing it in, huh.

Bill 16:00 ("wore them today for...") Kathy Lee looks great! And Regis -- wow, how do you do it, man?!

Mike 16:17 ("I know") They're not very good at playing themselves.

Kevin 16:25 (2nd "Fin, her husband...") Amazing that their other movie cameo was cut, from HOTEL RWANDA.

Bill 16:42 ("she's gonna survive" on Billy Ray) She'll be achy and breaky for a while, but --

Mike 16:50 ("yeah, she's a fighter") Cool, what's her UFC ranking?

Kevin 17:05 ("get you to her room" continuing as Billy Ray) Then I gotta go wash my daughter's car.

Mike 17:16 (on mom and daughter, psyched) We're finally gonna see *Staten Island!*

Bill 17:39 (on Statue of Liberty, as her) I haven't been in such a terrible movie since Meet Dave! [point to self] ...A-ha, self-burn!

*Kevin 17:51 ("hey baby" objective, with contempt) She IS a big baby, isn't she? "Ohhh, my hand got bitten off, wahh-hhhh…"

Mike I don't think that's what he meant.

Bill 18:13 ("took my hand") I didn't even get a hook out of the deal.

Kevin 18:24 ("sure about that") 'Cause you smell like a killer whale, honey.

Mike 18:32 ("did you marry me?" as Fin) Because I loved the number of hands you had: two. TWO hands, no fewer.

Bill 18:44 ("loved me anyway" as her, same spacey delivery) Uh huh, who's your favorite Spice Girl?

Kevin 18:59 ("literal about it") Come for the flying sharks, stay for the Oscar Wilde-like wordplay!

Mike 19:19 ("not again") "Not again," <u>exactly</u> what most people said when Sharknado 3 was announced.

Bill 19:30 ("take a picture") Lose the duck face, Mom, gross.

Kevin 19:40 ("all my crew!") We were just hanging around this island, turns out there's some really famous statue here!?

Mike 19:53 ("zip it") Did Mom used to be a call girl, what?

Bill 20:05 ("sure he's fine") He *does* have a hoodie, after all.

Kevin 20:17 ("in the hospital") And her concert pianist career might be over.

Mike 20:30 ("did you hear that?") Get over here, Daria.

Bill 20:37 ("anyone who's gonna listen to you") Call any D-list celebrities you know, we need all we can get.

Kevin 20:48 ("or something, but") Nobody else at the stadium has a cell phone?

Bill 21:03 ("first place it hits") [her] I just heard about this storm but I'm immediately an expert.

Mike 21:15 ("thanks Fin") Say hi to Stumpy for me -- I mean April, April!

Kevin 21:29 (kisses her) [surprised] Hey, your whole face stayed on that time, sweetie!

Bill 21:38 (Statue of Liberty) France is now demanding we give this back.

Mike 21:46 ("you guys" cuts to water) The bay is full of shark fins instead of hypo needles, what the heck?

Kevin 21:55 ("sharks in Manhattan?") Well, it started with Wolves on Wall Street.

Bill 22:06 ("this summer here") Of all the fake weather I've reported in fake TV movies, this is the fakest.

Mike 22:19 ("arctic air mass that's coming in") And over here, a stream of cross-promotional dollars from the media conglomerate that owns us, swooping in right toward our wallets.

Kevin 22:37 ("never seen before Matt") So try not to poop your pants, everyone!

Bill 22:47 ("Mark it's Fin") [as him] I'm here with the saddest cameo in this movie, guess who? -- Exactly, Judd Hirsch!

Kevin (as Hirsch, weakly) Hey...

Mike 23:00 ("to tell about it") [as Judd] I'm that guy who used to be on an actually good TV show.

Kevin 23:13 ("almost crapped in my pants") But that's Roker's thing.

Bill 23:21 ("baseball I'm worried about") More worried about the dozens of used Band-aids in this backseat.

Mike 23:32 ("quite the storm brewin") [as DJ] But first, back to that wacky crash landing this morning where a LOT of people died! Thanks for tunin' in to Z-Dog and The Jizz!

Kevin 23:44 (cheering crowd) Wooo, this broadcast IS shown with the consent of Major League Baseball, yeah!

Bill 23:59 ("hang for a game") Anyway, who the hell am I?

Mike 24:07 ("family tradition") Daaad, you're embarrassing me! By being Mark McGrath, I mean.

Kevin 24:17 (“go look for him”) [as her] By the way I know Fin and am here with you guys, apparently.

Bill 24:27 (after hit) And it’s deep, into Product Placement Territory!

Mike 24:35 (high-five) Slow-mo low five between unknown players, sure, why not.

Kevin 24:45 (“New York, y’know”) Oh, they’re in New York?

Bill 24:51 (“get you there somehow”) A cabbie turning away free money is the least realistic thing in the Sharknado series so far.

Mike 25:06 (“inside of a shark smell like”) Betcha it ain't worse than my seat cushion.

Kevin 25:18 (“salmon or cod”) Ha ha, reasonable guesses about a shark’s diet, delightful!

Bill 25:27 (“looks like the ferry’s there”) Her role is to point at things the other characters are already looking at.

Mike 25:35 (camera behind them) If we hurry and take the ferry we can leave a lot of other people behind to die!

Kevin Yeah, I need an extra seat for my bag!

Bill 25:46 (DELTA) DELTA, everyone, DELTA!

Mike 25:55 (“for the girls?”) That’ll be ninety dollars.

Kevin 26:04 (“Harlan ‘the Blaster’ McGuiness?”) Please, that was my competitive farting nickname, a long time ago.

Bill 26:19 (“all that free food”) [sheepish] Yeah, I finished off all that food, hot dog is dessert.

Mike 26:32 (“struck out pretty bad”) Thanks for beaming that game footage into our minds, by the way.

Kevin 26:49 ("homerun for my pops") C'mon, it was just a strikeout, it's not like you Bill Bucknered it.

Bill 27:00 ("that's a bummer man") This has been: two characters we don't know at all sharing an emotional moment.

Mike 27:13 ("hey hey hey" "yeah") Are you doing this movie for canned goods, too?

Kevin 27:25 ("gonna be me") Or maybe Joey Fatone, I dunno...

*Bill 27:31 (running up steps) Dorky Tom Cruise Run, engaged!

Mike 27:38 (hits glass) They killed Mary Poppins!

Kevin 27:50 ("after major trauma") And I'm a surgeon who says "you've just came out of surgery."

Bill 28:00 ("I'll be right back") [as Tara, weakly] Ehh, wonder what my face is doing right now.

Mike 28:09 (he looks at phone) Ooh, someone liked my lunch Instagram! Now, back to saving my family.

Kevin 28:21 (Vivica) For this movie she asked to be credited as Vivica *B.* Fox.

Bill 28:32 ("since graduation") So did Donna Martin ever graduate?

Mike 28:41 ("still talks about you") They say, "Whatever happened to good ol' Micropeen?"

Kevin 28:53 ("what was that") Oh I hope it's a kiss of death! It would save us an hour of torture.

Bill 29:03 ("your cheerleader?") That girl with those two great hands?

Mike 29:18 ("section 112, row 22") Great, gonna go tongue kiss all of 'em.

Kevin 29:32 ("hug it out") "Hug it out," check "Entourage quote" off your bingo cards.

Bill 29:43 (“at the airport”) It was national news yet nobody seems to know about it until he tells them.

Mike 29:52 (tarp flies) If only there were weather warning systems in place besides Fin!

Kevin 30:05 (“game has been canceled”) [continuing] All ticketholders will be charged a 10 dollar “game cancellation fee.”

Bill 30:13 (screams) C’mon, let’s get “the wave” going! No, bad time?

Mike 30:25 (breaks bat, they exchange looks) I’m non-specifically turned on by that.

Kevin 30:32 (“batter up”) Woo, novelty looting!

Mike 30:45 (Ian runs out) Oh my God they took Mr. Met’s head clean off, there was so much blood!

Kevin 30:54 (Richard Kind) He’s still here for some reason, and so is a bat, for some reason!

Bill (shark hits sign) Hit a shark into a sign, just like he wanted his Dad to see.

Mike 31:14 (fleeing) The Mets’ lowest moment since the Bobby Bonilla contract.

Bill 31:28 (“we were winning!”) We could have been only 30 games below .500!

Mike 31:34 (crowd run through doors) Woo, seniors!

Kevin Run the halls, seniors forever!

Bill SENIORS!!!

Mike 31:44 (pulls out phone) Take a quick “leading a mob” selfie...

Kevin 31:54 (“not getting through” “me neither”) "My phone won't work," the "my car won't start" of modern horror movies.

Bill 32:07 (“she’d stick to it”) Sticking to plans is what his mom’s all about.

Mike I'm not totally sure which character his mom is, but I sense that's true.

Kevin 32:22 (entering train) And now, "Guy passed out on the train next to a bottle full of his own urine-Nado"!

Bill 32:34 (train leaving) If a bunch of sharks calmly walk up and get on the next train after this one, I will suddenly love this movie.

Mike 32:46 (opening door) Huh, guess this is one of the parts of town where the historic terrifying storm ISN'T happening.

Kevin 32:57 ("yeah you'd think") [as him] Our friggin' crumblin' infrastructure, am I right?

Bill [other guy] Yeahhh it's a complicated and expensive issue, whaddaya gonna do.

Mike 33:12 (distraught women) We were told this was a booze cruise, a *booze cruise*!!

Kevin 33:20 (back on them) Guess they really did leave all those other people behind, wow.

Bill 33:36 ("need to move the boat faster") [as her] And stick to the plan, for God's sake, stick to the plan! That's what I'm all about!

Mike 33:46 (face chomp) Whoa, they fly now?!

Kevin They're sharking without the 'nado!

Bill 33:59 (shot of face) Hurry, call Tara's face surgeon!

Kevin 34:06 (Kari sits) First the Anaconda, now sharks, Kari Wuhrer should just avoid boats.

Bill 34:20 (guitar dipshit) The Edge?

Kevin Well, 'an' Edge.

Mike 34:35 ("could've been killed", cut to boy & Vivica) [as boy] I *wish* I'd been killed.

Kevin [as her, comforting] Me too, sweetie, me too.

Bill 34:43 (Ian and Mark) Aaaand another scene wanders to its end.

Mike 34:56 ("no" "c'mon") Don't really see how being afraid of the dark has anything to do with forgetting my gloves…?

Kevin *C'mon*!

Bill 35:12 ("c'mon, hurry up") "C'mon!" is really his general thesis.

Mike 35:24 ("gonna flood") Gonna flood with that "hate goo" from Ghostbusters 2, nobody wants that.

Kevin 35:33 (alligator chomp) Monster crossover! Sharknado vs. Mega Poo-Water Gator!

Mike 35:46 (shark chomps gator) Woop, short crossover. But what a ride!

Kevin 35:58 ("happen to your family") Success, achieving their dreams, nothing!

Bill 36:16 (2nd "with you dating my sister") The problem was you forcing her to get frosted tips.

Mike 36:27 ("the dynamic duo") Oh right, we WERE childhood friends, forgot for a second.

Kevin 36:40 ("marry my sister") A guy who looks like the puppet Randy from Peewee's Playhouse?

Bill 36:50 ("what was that") Power went out, but ONLY where the guitar guy is sitting.

M/K Yeah! / Good!

Mike 37:08 ("eatin' fresh too ya know") Heh, we had a joke here on Monday folks, heh, oh boy...

*Kevin 37:20 (on Vivica) Obey my every command because some idiot said "We're in trouble".

Bill 37:31 (cop) Okay, I'm gonna stand close to the shark and watch it approach, worked out nice for that lady on the boat… (shark busts door) Oh wait no it didn't auuughh!

Mike 37:45 (pulls out earbud) [extremely nerdy voice] My podcast!

Bill 37:59 (close up bat hitting shark) This is for killing Mega Poo-Water Gator!

Mike 38:08 ("mets fan on the 7 train" gets chomped) Tell my family I died making a quip based on local humor!

Kevin 38:21 ("go I'll catch up") Just gonna get in a quick manspread!

Bill 38:34 (hits button) Wow, the solution was LITERALLY an "easy button."

Mike 38:43 (fighting shark) Yeah, pretty good metaphor for what public transportation feels like at all times.

Kevin 38:52 (Ian screaming) Hey you guys are all out there showing people how stairs work? Cool, cool, yeah that's important. I'm good in here.

Bill 39:08 (they turn suddenly) Okay, let's all pretend to be REAL upset we lost him for a second, really sell it guys.

Mike 39:23 ("I hate the subway") Why, what did Subway or anyone associated with it ever do?

Kevin 39:32 (see small shark) Ha ha, oh brother! Anyway, that lady I tried to save is dead, like EXTREMELY dead.

Bill Oh and our good friend the Mets fan is a gory pile of flesh too, haha hijinks!

Mike 39:51 ("taxi" cuts to Judd) [as Judd] Ugh, I'm still in this?

Kevin 39:59 (sharknado) So there's just a lot of generalized sharknado activity in the area, I guess?

Bill It's like Shark-Humidity now, just sort of happens everywhere.

Mike 40:18 ("it would be you") Driving a cab a long time taught me things like that.

Kevin 40:29 ("built like a brick prison") Built like a brick prison? I don't think that's the saying, kid.

Bill 40:40 ("he takes after") The side that likes unnecessary Latin phrases.

Mike 40:52 ("hardware store, what for") Don't you know anything about New York, there are no hardware stores, hardware's illegal!

Bill 41:09 ("yes!") Sharkstorms?! He couldn't even be bothered to learn the title of the film.

Mike 41:20 ("the tornado") TORnado? Does no one know what this film is called?

Kevin 41:30 (shot of tornado) The shark... based weather condition!

Bill 41:40 ("destroyed! You must repent!") Good to see zombie Sam Kinison getting some work.

Mike 41:54 ("you child") [as shark] Here, let me help, too. [crunch] Damn, I always do that!

Kevin 42:11 ("it out" "ok") [as him] Also I'm on the show Shark Tank so please laugh. No…? Yeah, you're right.

Bill 42:23 (Liberty head soars in) Look out, you stupid huddled masses.

Mike 42:36 ("to be here") The huge "Out of Business Hardware Store" sign is kind of a clue.

Bill 42:49 ("rehearsal tonight") I can't accept that it's garbage day unless someone says, "Garbage day."

Kevin 42:58 (“strikes last week”) This is the “Tall Buildingless” part of downtown Manhattan.

Mike 43:10 (head rolling on street) No, please don’t destroy the many many pickup trucks that Wall Street is famous for!

Kevin 43:23 (women get in truck) [as one of them] Gah, your garbage truck smells like garbage.

Bill 43:36 (head on street) Surprisingly one of the biggest killers during Sharknados: rolling statue heads.

Mike 43:45 (rolling head) Why am I still rolling?!

Kevin 43:59 (guy gets cut) [as garbage man] Tell garbage I love it!

Bill 44:10 (“[blah blah] girls!” truck and head) Go to hell, physics.

Mike 44:20 (low shot of windshield) You saved us by crashing us into a pole… I guess…?

Kevin 44:32 (Bortek truck) Bortek paid them *not* to be in the movie but their last check bounced.

Bill 44:42 (head crashes) YOU MANIACS!

Mike 44:54 (“over the Hudson…”) It’s like I’m stuck in my dentist’s waiting room, only it’s in convenient movie form.

Kevin 45:07 (2nd “shark storm”) Can we switch the channel to cartoons?

Bill 45:21 (“into storms”) The Today Show, now broadcasting 24/7!

Mike 45:37 (“with teeth”) A twister with teeth is also his private name for Katie Couric.

Kevin 45:48 (“a good thing”) Especially for the itsy bitsy spider.

Bill 46:01 (door closes, reveal Tara) She’s not hiding, Tara just momentarily forgot how doors work.

Mike 46:12 (aerial shot of city) Clear skies, like your typical Sharknado. [storm] Or stormy, whatever.

Kevin 46:30 ("it anywhere") Ah, the famous hardware stores of Times Square.

Bill 46:41 ("right here") Judd Hirsch: I'll be in your movie but I'm not standing up, dammit.

Mike 46:55 ("at 10" "all right") Toy stores are packed with things to put bombs in tornadoes, everyone knows that.

Kevin 47:09 ("the sharknado") [sing to music] Piss on the memory of Joey Ramone / With your shit-ty song song song.

Bill 47:28 ("a visitor") Ah, Vinnie, cliched Italian pizza guy. ...played by Biz Markie, sure. [Biz Mar-KEY]

Mike 47:41 ("the city?") I don't know, looked pretty clear about one minute ago.

Kevin 48:03 (shark into oven) And Guy Fieri immediately shows up to try it.

Bill 48:15 (weasel pig) Stuffed weasel pig, good to see you again.

Mike 48:23 ("weapons you can find") Manhattan bodegas, famous for their weapons collections.

Bill 48:38 ("I found this") From the Robert McNamara line of grilling supplies.

Mike When you want to grill your steaks back to the stone age.

Kevin 48:50 ("of here, Brian") [as kid] Should we pay?

Mike No time! Sharks!

Bill 49:04 ("one step") Gah, the only thing worse than the band Rush is someone trying to imitate the band Rush.

Kevin 49:23 ("more weapons") Does Ted Nugent have a Manhattan loft?

Mike 49:35 (“red, wild skies <?>”) Swords? Are they trying to kill sharks or get laid at a Renaissance Festival?

Bill 49:50 (“United Nations”) Seriously, the United Nations are devastated, they’ve been crying on the phone with their boyfriends all morning.

Kevin 50:07 (“safest place”) [as woman] Oh, God, I ate a hot dog from a street vendor. I don’t think I’m gonna make it.

Bill 50:20 (reaches in pocket) That’s right -- sharks hate rented bikes!

Mike 50:30 (Tara appears) [as her, super dumb] There’s got to be a spare hand store on the upper east side, right?

Kevin 50:40 (goes into room) [as her] Quick tummy tuck, lipo, couple quarts of Botox into the forehead, I’ll be good to go.

Bill 50:54 (‘is April”) I think. Don’t quote me on that.

Mike 51:07 (“be brave together”) Me, helped by the many, many pharmaceuticals I swallowed just moments ago.

Kevin 51:20 (running down hallway) [as Tara] Young lady, you’re looking pretty saggy, have you thought about dermabrasion?

Bill Can we worry about the sharks first?

Kevin [skeptical] Mm, ok, but your priorities are messed up.

Mike 51:37 (“thanks, April”) You’re welcome *cough* dermabrasion *cough*

Bill 51:47 (shot of Tara) This is your face on drugs.

Kevin 51:58 (“down Broadway”) “Blowing sharks down Broadway,” the adult version of West Side Story.

Mike 52:07 (ambulance pulls up) This intense sunshine -- it’ll kill us all!

Bill 52:18 (cars in water) The biggest danger during a sharknado: hydroplaning.

Kevin 52:30 (shot w/cab on left) It has not been and *is not* raining, where is the water coming from?!?!

Mike 52:44 (throws duffel bag out) Sharknados: now with absolutely no ‘nados at all.

Bill Though you may experience an unexplained rise in water levels.

Kevin 53:00 (“can’t stay here”) We’ll get a parking ticket.

Mike 53:08 (produces rope) Yes, he keeps a whole bunch of tow rope right down by his gas pedal.

Bill Who doesn’t?

Kevin 53:21 (“aren’t you?”) Whoever’s been on more crappy reality shows goes first, those are the rules.

Mike 53:33 (McGrath swings) No reason to show what he’s swinging to, ‘cause that would make visual sense.

Bill 53:48 (“gonna be good”) [as him] You can do whatever it is I just did that they won’t show!

Kevin 54:06 (“got you, baby”) I got you, eighteen year-old baby.

Mike 54:20 (they swing in) Yes! They made it to wherever it is they are!

Bill 54:31 (Hirsch gets out of car) Wait, they’re going to *save* Judd Hirsch? But he’s the obvious choice to chop up and chum the water!

Kevin 54:47 (“you got this”) Really? Does he look like he’s “got” anything?

Mike 54:58 (reaction of three) Guess you don’t got this. Sorry to misrepresent.

Bill 55:08 (CU Ian) Judd Hirsch was crunchier than I thought he’d be.

Kevin Yeah, I assumed he be kind of spongy.

Mike 55:24 (shot of three) Oh, we used to play Frogger together, by the way. It's kind of our thing.

Bill 55:34 ("the shark") Yep, that's a joke to mumble only after the other person has walked away.

Kevin 55:53 ("kicks ass") ...She's jumping sharks -- damn, I shouldn't have tried that a second time.

Mike 56:07 ("safe guys") Yes, please be *safe* during the *Sharknado*.

Bill 56:19 (CU two-shot Ian/ Vivica) Oo, Ian just squeezed out a little fartnado of his own and he's trying to look innocent.

Kevin 56:35 ("was a star") *Did you*?

Mike 56:49 ("your ego") [as Ian] It's never happened to me, but I'd imagine it would.

Bill 57:00 ("back together") [as her] Pretend you care…

Kevin 57:09 ("screw that up") Also, why is this elevator so slow?

Bill 57:28 ("I did") [as him] Your dad didn't love me? Really??

Kevin 57:42 (shot of bikes to corner) Take away the digital smog, it's a beautiful day.

Mike 57:54 (woman in brown blazer) Where's the rental return place?! WHERE'S THE RENTAL RETURN PLACE?!

Bill 58:10 ("C'mon, Laura") She's still alive, you know!

Kevin I said COME ON!

Mike 58:27 (McGrath says "thank God") [proudly] We're fighting the Sharknado by standing in a lobby!

Bill 58:41 ("to stop him?") She had no problem getting over the very recent death of her friend.

Kevin 58:51 (as guard in back) Ca' you guys sign in?

Mike 59:00 (Vivica by ducts) What are you, Spinal Tap? *Just get on the roof!*

Bill 59:11 (they come around corner) How is this also their business center? What a terrible hotel.

Kevin 59:21 (Ian by stair deck) Thank goodness she has her brown paper bag filled with swords… I guess?

Mike 59:31 (Ian runs to rail) [as him] Hey, it might rain. The farmers 'll be happy.

Bill 59:46 ("gonna work?") They have spent butane tanks from a pizza guy, how could it fail?

Kevin 59:59 (cuts to lobby) [as Mark] Please, honey, they have a water balloon slingshot. What could possibly go wrong?

Mike 00:16 ("just stop") Yeah, stop trying to act, you're embarrassing the rest of the Sharknado cast.

Bill 00:32 ("twisters together") But first, let's review last night's Bachelorette!

Kevin 00:40 ("downright scared") Comfort me, gastric bypass!

Mike 00:54 ("tornadoes merge…") The weather is two giant lungs, got it.

Bill 01:06 ("skyscrapers") But only *steel* reinforced skyscrapers. The ones made from plywood are fine.

Kevin 01:20 ("toll on the city") Ignore the fact that I'm dry and it's sunny behind me.

Bill 01:35 (they shoot bomb) This was a Letterman bit until Dave accidentally blew up Larry "Bud" Melman.

Mike 01:49 ("double 'em up, come on") They studied war under Dennis the Menace.

Bill 01:58 (pulling out sword) How Ned Stark Got His Groove Back.

Mike 02:11 (floor falls) And somewhere in New York, *that* happened.

Kevin 02:22 (her messing with slingshot) And even though play was suspended five hours ago, the Mets just managed to lose the game.

Bill 02:33 (shoot another bomb) OK, now drop a penny off the side, a guy in third grade told me it can totally kill a shark!

Mike 02:42 (Ian gets up) Sweet, we took out the cow from Twister!

Kevin 02:51 ("are tougher in New York") Must be all that non-Pace picante salsa they eat.

Bill 03:03 ("I'd get your room") Seriously, I stand in the doorway while you sleep and imagine how I'd decorate it.

Mike 03:16 (water out of elevator) Danny Torrance thinks, "Eh, I've seen worse."

Kevin 03:29 ("generating enough heat") I know this as a retired professional surfer.

Bill 03:36 (taping bomb) He learned this from watching At Your Fingertips: Bombs.

Mike 03:47 ("never the problem") Your daddy not loving me was the problem.

Kevin 03:57 (4th "come on") The guys in the Enola Gay muttered the same thing.

Bill 04:09 ("as you go along") Little trick he learned from the writers of LOST.

Mike 04:17 (people get flattened) Nine innocent people flattened: our heroes.

Kevin 04:29 (sky then Ian) They consulted with Tommy Wiseau about how to make their roof look even faker.

Bill 04:38 (running past satellite dish) Should I bring the huge sword?

Kevin Nah...

Bill Cuz it seemed really effective…

Kevin I'm sure we'll find another one lying around...

Mike 04:52 ("have big teeth") [fake laughter then suddenly serious] Ha ha—Mom, if we survive, you're out of the family.

Kevin 05:10 (running downstairs) Ian's moving pretty well for just having covered sixty flights of stairs.

Bill 05:20 (shark waggling) [as shark] Can you guys point me to the ocean?

Mike 05:33 ("we're gonna die") Oh relax, not quite the girl from Modern Family.

Kevin 05:45 ("that") We can fashion a crude key out of the shark's teeth!

Bill 05:57 (shark on fire) Those are just Buddhist sharks protesting, they're harmless.

Mike 06:07 ("hurry up") [as panicked Sugar Ray] Please stop yelling, I am *not* a real actor!

Kevin 06:17 (axes shark) This is just like when Purplesaurus Rex ordered that hit on Sharkleberry Fin.

Bill 06:29 (door opens) Danny Torrance again thinks, "Eh, I've seen worse."

Mike 06:40 (spiral staircase) Hey Sugar Ray, *downward spiral* remind you of anything? *cough* career *cough*

Kevin 06:50 (burning building) It's OK folks, that's Gawker Media's headquarters!

Bill 07:03 ("need a ride") [as her, dumb] I'M A HUNDRED AND ONE DALMATIAN!

Mike 07:13 ("in downtown Manhattan") If there's any Indians listening, just return the beads and you can have your stupid island back!

Kevin 07:25 ("Al what's going on?") [as Al] Well Matt, I've fired my agent and urge you to do the same.

Bill 07:40 ("should converge with the other…") Matt's thinking "Brian Williams got off easy, man!"

Mike 07:52 ("in the heart of New York City") And now a song from Clay Aiken!

Kevin 08:02 ("check with the chief") He runs "are the freon tanks still up there" dot tumblr dot com!

Bill 08:12 (police on walkie talkie) [as police] Yes, a buncha bombs fell on a hospital, we gotta find the lunatic who flung them off a roof.

Kevin 08:22 ("the one from high school") The one whose dad broke your heart?

Bill 08:34 ("mayor it's an honor") [solemnly] I see you got rid of your hamburger head, that was very brave.

Kevin I'm not Mayor McCheese!

Mike 08:52 ("we bite back") When the muppets tried to *Take* Manhattan, I bit Fozzie right on the ass!

Kevin 09:11 ("for the lightning rod" "yeah") [as bald guy] I got schematics for looking like over-inflated Vin Diesel too.

Bill 09:21 ("this might work") I know this because I looked at a picture for two seconds.

Mike 09:35 ("freon tank into the storm") Marvel supervillains think his plan is a little too outrageous.

Kevin 09:48 ("through the building into the storm") OK, while you're at it why not just go back in time and make sharks extinct?

Bill 09:59 ("especially with this") Your IQ test result.

Mike 10:14 ("sharks up there still") Where, in the sharknado?

Kevin 10:29 ("isn't that enough") Hey, you're right! Where the hell is the army!?

Bill 10:41 ("always") *Every* morning.

Mike 10:52 ("were always batman") The *George Clooney* batman.

Kevin 11:06 ("two inches an hour") That actually seems pretty manageable.

Bill 11:19 ("you seek shelter") Perhaps in a better movie.

Mike 11:30 ("sweet") You might even say, "Groovy—

Kevin No, Ian, we can't say that.

Bill 11:42 ("listen up!") Unemployed bartender here!

Mike 11:53 ("gonna need your help") Wait, I thought *we* were the ones that needed help!

Kevin I definitely need help, my dad's Sugar Ray!

Bill 12:06 ("a good man down") And while I've got your attention, Hitler had some good ideas…

Kevin Yeah, Hitler!

Mike (right after) Yeah! ...Wait, what?

Bill 12:19 (glory shot) Ladies and gentlemen, ninety percent of our effects budget!

Mike 12:30 (crowd cheering) I've seen flight attendant safety speeches get bigger reactions!

Kevin 12:44 ("kill some sharks") And let's—Ah, dammit out of gas.

Bill 12:57 ("help you can get") [hopefully] Your dad??

Mike Me you weirdo!!

Kevin 13:08 ("need your help") That idea took a lot out of me.

Bill 13:16 (them on roof "up there") So I guess we're on the roof now!

Mike 13:30 ("where are you going?") You just opened the door, where do you think I'm going!

Kevin 13:43 ("ah shoot") That's also what Leatherface would say before he revved up *his* chainsaw, [whiny] Aw, shoot!

Bill 13:52 (feet) I'm guessing, the Dude You're Getting A Dell guy?

Kevin Too big a star.

Mike 14:01 (tara slices shark) And because you ate it up like slobbering dogs the first five times, there's that shot once more!

Kevin 14:11 ("where'd you get that") *That's* his first question??

Bill My wife's a killer cyborg now, hey was that on sale at Lowes?

Mike 14:26 (tornados) They're merging into a tornado centipede!

Kevin 14:35 ("gotta do it now") It's rare that getting a buzz saw hand isn't your most radical plastic surgery.

Bill 14:44 ("then come on down") *You're* the next contestant on The Shark is Right!

Mike 15:02 ("the top of the building") Why couldn't he have done that before Peter Jackson's King Kong?

Kevin 15:18 (jumper cables detach) All the drama of jumping your car in the Costco parking lot.

Bill 15:28 ("you can hook it up") Speaking of hooking it up, is your dad still single?

Kevin Would you drop it?!

Mike 15:43 ("yeah we're good") [yelling] It's great we're able to hear each other over the two hundred mile an hour winds!

Kevin 15:53 (“stay here and hold it”) If I don’t make it, tell them to leave this off my IMDB page!

Bill 16:06 (picks up chainsaw) Well, this is my "thing" now. Kind of hoped it would be steady work and the respect of my peers, but no. It's this.

Kevin 16:28 (“fireworks begin”, “One”) Let’s do it!!!!—Wait, what is the plan again?

Bill 16:35 (lightning hits chainsaw) He went to the Back to the Future Institute of Technology.

Mike 16:50 (shark kills woman) Tell Ian not to hit on my dad at my funeralllll!

Kevin 16:58 (Ian falling) And he lands in Oz and disembowels the Lollipop Guild with his chainsaw.

Bill 17:10 (person points) I hardly think pointing is necessary by now!

Mike [as idiot] Hey you guys see that sharknado up there?

Kevin 17:23 (machete) Danny Trejo’s car!

Bill 17:28 (trunk guns) John Popper’s car!

Mike 17:41 (guns) Gentlemen please, it’s not a birdemic, it’s a sharknado!

Kevin 17:52 (Ian falling) Guys, it just dawned on me: this movie is kinda dumb.

Bill 18:03 (Ian yells) Hey folks, Let’s Get Stupid!

Kevin -Er…

Bill Yes, stupid-*er*.

Mike 18:16 (Talk show) Lots of casualties, but still better than watching a taping of The View.

Kevin 18:29 (lighter fluid) This is all just a fantasy that Calvin had during a math quiz right?

Bill 18:39 (flame throwing) Human deaths caused so far: The sharks? Maybe eleven. The mob? Eight thousand.

Mike 18:49 (tosses chainsaw) Hillbilly with a pickup full of chainsaws, another common sight in downtown Manhattan.

Kevin 19:05 (Laurer stabs shark) [as crazed Laurer] YEAH, TAKE THAT AL! I mean, take that *Shark*! We're cool Al…

Mike 19:17 (hook hangs down) Ah ha! I'll just grab this sky chain and...Wait, sky chain? What the hell?

Kevin 19:27 (CU Ian, then shark) [singing] Catch a shark and you're sitting on top of the world.

Bill 19:38 (shark impaled) [as shark] AUGH, my shark wang, if sharks have wangs!

Kevin 19:50 ("Finn" mayor) Nobody is pointing, we're unsure where to look!

Mike 20:03 (Finn vaults over railing) Yeah, you don't want to let those *three stairs* slow you down.

Kevin 20:17 ("need a weapon") [as Tara] Um, my hand is literally a buzzsaw now?

Mike Honey, please, I have to root around in the dead shark!

Bill 20:27 (2nd pulling out hand) The shark got Furiosa!

Mike 20:37 (looks at gun) "From my cold, dead..." ...huh, checks out!

Kevin 20:44 (Tara looks at Ian) [as Tara] If I eat it can I be in the third one?

Bill 20:55 (he kneels) I guess this could wait til we find out if my family is still alive, but NAH!

Mike 21:07 ("marry me, again") [as tara, dumb] Wiping after potty hurts now!

Kevin 21:23 ("is that a yes?" "yes") I love you Luke Perry!

Mike Oh come on, still??

Bill 21:33 (“I’m proud of you son”) Even though she didn’t die you can have your sister’s room.

Kevin [as ‘sister’] Hey!

Mike 21:45 (“I love New York”) [As Tara mishearing ‘New York’] I love yogurt too.

Bill 21:57 (“FIN”) “Fin.”

Kevin The other side of the building lights up with the word “Sucks”.
